This product qualifies for the following listings:

Standard Features

- **“Global Standard” width-** 30" (76.20 cm) wide
- **Auto-Alert indicator lights-** communicate about operating status: a diagnostic LED light guides the troubleshooting process and helps decisions regarding opening a service call.
- **Front-facing Evaporator-** Ice forming process inspection and routine cleaning operations may be accomplished simply removing the front panel.
- **Hand-removable water distribution tube-** routine cleaning has never been so easy!
- **Embedded antimicrobial-** Ag-Ion® antimicrobial is present in selected food-zone components
- **External Components-** All external panel components are crafted for optimal aesthetic appeal through superior fit and finish
- **Reusable air filter** is easily removable from the outside for ease of cleaning (in air-cooled models)
- **California Energy Commission-** meets or exceeds CEC guidelines
